The Committee appointed to take into consideration the petitions and remonstrances of the Raleigh Lodge No 20 Tarborough, made the following report. "That it is with the deepest concern they remark that the unhappy disputes by which the minds of the Brethern of the said Lodge are unhappy with each other have arisen from a disregard of those sublime virtues, which it is the object of Masonry to inculcate. From the painful emotions thus excited in their minds your Committee find no relief, but hope that those principles which are engraven on the heart of every Mason may again resume their brilliant operation in spite of these unworthy causes which have for a time weakened their energy; and that order and harmony more perfect may be restored after a cruel experiment of the reverse. But an occurrence so new and interesting to the craft, it is with diffidence they submit to the Grand Lodge the propriety of the following measures.

"1st.

That the Charter of the Raleigh Lodge aforesaid be deposited with the Deputy Grand Master, who may be requested to meet the Members of the said Lodge, in their Lodge room at their next quarterly meeting; and if he should find a pure and entire reconciliation to have taken place, then to restore them their Charter.

"2nd. That both the elections be annulled.

"3rd. That the Most worshipful Grand Master be requested to recommend to the Members of the Raleigh Lodge aforesaid who are present in the Grand Lodge a cordial union, and the oblivion of past misunderstandings; to remind

them of the solemn obligations of the craft, and the many and glorious objects of its institution; of the virtues of forbearance, charity and forgiveness."

By order James Glasgow D G M

The Lodge taking the foregoing report into consideration Resolved that they do concur therewith.

Read a letter from the Royal White Hart No 2 Halifax, informing this Grand Lodge of the expulsion of Samuel McDugall a Member, of that Lodge for practices and conduct degrading to the character of a man, and the uprightness of a Mason unworthy of a further relation and painful to the sublime virtues of the craft. Which was ordered to be filed with the Secretary and entered on the records as a just memento of the said McDugall's ignominious conduct.

The Lodge was then closed in due form until Tuesday evening 6 O'clock P M.
